

**Louisiana International Gulf Transfer Terminal Authority
("LIGTT Authority")**

**REQUEST FOR PROPOSAL/REQUEST FOR QUALIFICATIONS
("RFP/RFQ")**

**PROJECT DEVELOPER SERVICES
FOR THE LIGTT AUTHORITY PROJECT
RFP/RFQ # 2022-001**

ADDENDUM NO. 1

In response to inquiries concerning RFP/RFQ #2022-001 at pages 4-5 of 37, The Changing Scope of the LIGTT Authority Project, the LIGTT Authority provides the following clarifications:

Stand-Alone or Individual Proposals for one or more "Verticals" (or Phases) are requested and will be considered as such.

Each Individual Proposal received will be considered and scored on its own individual merits.

Proposers may respond with separate Proposals and may submit Proposals for one or more "Verticals" and/or the Maritime-Related Services as shown in the RFP/RFQ.

The LIGTT Authority may decide to award one or multiple but separate Contracts-Development Agreement(s) to one or more proposing entities, each and/or all of which are necessary steps in expediting the viability of an offshore port consistent with the LIGTT Authority's enabling legislation.

All other terms, conditions, and provisions of the RFP/RFQ remain unchanged at this time.

Additional inquiries may be submitted at the November 8, 2022, 2:00 PM Mandatory Pre-Submittal Conference.

Date: October 25, 2022
